

Industrial Shredders

"Designed for ease-of-use, mobility, high-volume performance and versatility!"

MODEL 14.95

NEW!

Actual Shred Sizes

698924

6mm x 50mm

698904

5.8mm

Features

- Safe - the 14.95 shredder has a locking master switch, reverse function, auto-off if waste bin is opened, thermo-sensor motor protection
- Developed to be narrow enough to fit through standard width doors for complete mobility - two fixed and two lockable heavy-duty casters
- Designed for easy operation with a conveyor belt feed system, a 440mm (17.323") wide feed opening, easy to use/understand controls and an automatic anti-jam function
- Takes flat or crumpled paper - paddles sweep and hold paper in place so shredding is quicker and more efficient
